Part I.—*Rule 1* (5).—All projects for original works in connection with cemeteries attached to Government churches in civil stations and cemeteries in Imperial Provinces without provincial settlements whether attached to Government churches or not which require the administrative sanction of the Government of India, should under the Home Department Orders Nos. 49-65, dated the 8th February 1907, be submitted by the ecclesiastical authorities to the local Governments which after examining them will transmit them, with any remarks that it may desire to offer, to the Government of India in the Department of Education for consideration. All proposals relating to the construction or alteration of cemeteries attached to Government churches in cantonments and of other cemeteries in charge of the Military Works Services whether attached to Government churches or not should under the Home Department Orders Nos. 58-71, dated the 18th February 1909, be submitted by the ecclesiastical authorities to the General Officer Commanding the Division or Independent Brigade within whose jurisdiction the cantonment is situated who will forward them to the Director-General of Military Works when the cost of the work is less than Rs. 2,500 and when the work is to be carried out by the Military Works Services and to the Quartermaster General in India in other cases. In the case of proposals forwarded to him by the General Officer Commanding the Quartermaster-General, after satisfying himself of the necessity for the work proposed will, when the work is to be carried out by the Military Works Services, request the Director-General of Military Works to submit the proposals, together with approximate estimates of their cost and the reports of the local Military Officers, for the consideration of the Department of Education. When, however, the work is to be carried out by the Public Works Department, the Quartermaster-General will request the General Officer Commanding concerned to forward the proposals to the local Government which after examination will transmit them, with any remarks it may desire to offer, to the Government of India in the Department of Education for consideration. All proposals relating to the construction or alteration of churches in cantonments should, under the Home
